Dear Brothers and Sisters in Christ,

Warm greetings in our Lord's name.

Support for GtC & Anglicans Ablaze

First we would like to thank all of you who have supported Growing the Church (GtC) in the past and as well as those who support us currently. This ministry would not have been sustained without your love and care. THANK YOU! THANK YOU! THANK YOU!

GtC is in the process of preparing for "Anglicans Ablaze" – 5 to 8 October 2016. A few days ago we sent out our first preliminary "Save the Date" brochure and we have already had several booking enquiries! At our recent Provincial Planning event, Archbishop Thabo indicated that Anglicans Ablaze should be considered "of strategic importance" because of the huge diversity of people that it brings together in unity, the great speakers and content and the excellent conference arrangements. And here is some good news: To provide much greater access, we have managed to reduce conference prices, in spite of inflation, because of "home turf" advantage.

We are writing to ask for your help, please:

- 1) We have dropped the conference cost for young people to attend from R650 in 2014 to R495 for 2016 so that many more young people can attend. This is way below our budget per person.
- 2) We also need to raise seed money with which to begin arrangements - printing posters and brochures, paying deposits to book accommodation and equipment and employing an additional staff member to help with the increased work load. The Province does not provide any financial support for AA, so we need to raise the funding ourselves.

We would be very grateful if you would please consider contributing to the growth of the Anglican Church through this event by:

- ✦ Including us regularly in your prayers, please
- ✦ Giving a small donation of R50 / R100 / R200 (or more) each month, OR
- ✦ Giving a larger amount annually or as a once-off donation, please.

Our **Standard Bank** account details are as follows:

Account: - Growing the Church,
Account No: - 271 625 864,
Branch Code: - 025309 (add 00 for some banks for EFT)

Please let us know your name or the name of your parish or organisation if you will be giving so that we can acknowledge your gift appropriately and thank you.

We have space for 1700 people at Anglicans Ablaze 2016, and we hope to see you there.

Many, many thanks again.
